

Start your pathway to financial self-sufficiency with us!

### What do we offer?

**Financial Assistance:** Your education and training costs in healthcare might be covered, as well as other required supplies not included in tuition.

**Onsite case management and supportive Services:** Our navigators make sure you complete all steps in your program while offering career guidance, connections to childcare and transportation aid.

### Who can apply?

Every Monroe County Resident interested in working in healthcare who is 18 years old and within the income eligibility guidelines

"This document was supported by Grant 90FX0055 from the Administration for Children and Families, U.S. Department of Health & Human Services (HHS). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of HHS."

"HPOG is a study funded by the federal government which is being conducted to determine how these training opportunities help people improve their skills and find better jobs. During the study, all new eligible applicants will be selected by lottery to participate in these training opportunities. Not all eligible applicants will be selected to participate in these opportunities."
